Hello,

Receive greetings from your travel and immigration assistance partner in Kenya.

We help visitors/new arrivals into the country to settle with ease

We are at hand to organize your picking from the airport, booking into a hotel, we give basic swahili lessons, visa application, we help you get residential quarters, schools for your children where necessary, area orientation, work permit processing etc.

Essentially, we make your transition to living in Nairobi easy whether you are a long term or a short-term visitor.

We offer two main packages & a supplementary third package

1. BASIC PACKAGE

This one caters for those visiting Kenya for a short duration, specifically under a year. It is limited to facilitative support to settle and operate before exit.

2. COMPREHENSIVE PACKAGE

Our Comprehensive Package is suited for those permanently relocating to Kenya or those coming for a duration exceeding 12 months.

This takes 90 days covering all that you need to fully integrate into the Kenyan society.

3. UPCOUNTRY TRAVEL / SIGHT SEEING PACKAGE

Our tour package is customized for those visiting Kenya for a short duration for work and in between would wish to tour renowned sites. We help groups keen on sight-seeing, wildlife lovers and sports tourism. We have a unique list of recommended visiting sites in Nairobi and upcountry in the villages.

With us by your side, settling-in in Kenya will be as easy as A B C D.

Feel free to give us a call when you plan on visiting Kenya.
