

Fiscal Year 2026

Virtual Budget Town Hall

Every year, the Multnomah County Chair prepares an executive budget that reflects our community's values and priorities. To do so, we need as much input and engagement from as many people as possible. This is especially important in a year when we face a \$22 million general fund budget cut, which will have an impact on the services we provide to the community.

Join us for a virtual hour with Chair Vega Pederson as she talks about her fiscal year 2026 budget priorities and answers your questions. Questions can be pre-submitted [here](#) or put in chat during the town hall.

Not able to join the event? We still want to hear from you! Please take 5-10 minutes to fill out Chair Vega Pederson's Community Budget Survey for Fiscal Year 2026 at link.multco.us/budget-survey-fy2026.

To find out more about the Chair's budget and future opportunities for engagement, check out the Chair's Budget web page: link.multco.us/budget-process and the Multnomah County Budget Office web page: multco.us/departments/budget-office.
