

To NWNW Board Directors and Staff

NWNW has received a records request from Allan Classen:

This is his official records request:

Please send me all emails and other communications from or to NWNW staff or board members after Sept. 1, 2021, mentioning Allan Classen or NW Examiner.

Please send any emails meeting these criteria to coalition@nwnw.org . If possible, please combine these as attachments in a single email or as .pdf files. If you do not have such emails, please let us know. Please supply these by Monday, November 29th.

Once collated, these must be reviewed to see if they meet the requirements for being public records under the ONI Standards and may be excluded or have portions redacted. The Executive Committee may perform that function.

NOTE

1-Emails received from or replies to directors@nwnwboard.org do not need to be sent They have been captured and will be included.

2-Please take note the request is limited to your emails that mentioned Allan Classen or NW Examiner.

Thanks
Les
